Additional Backup Information

Upon the application by the owners of 2700 Edgewater Drive, Austin, Texas, the City approved a residential On-Site Sewage System. On April 22, 2011, the owner of the neighboring residence to 2700 Edgewater Drive, filed an appeal with the City under Section 15-5-7 of the City Code. The appellant appeals the Austin Water Utility's decision to issue a Permit to Construct an On-Site Sewage Facility (OSSF) to Mr. and Mrs. Nathan Chelstrom for a residence at 2700 Edgewater Drive, in violation of the City Code and Chapter 285 of Texas Commission on Environmental Quality (TCEQ).
